

Each tutor was hired because of their proficiency in the listed set of **primary courses** next to their names, though they are capable of offering some assistance for those courses listed under **secondary courses**. It is recommended that students seeking help for a specific course make an attempt to meet with a tutor that has that course listed as a primary course before seeking help from a tutor that has it listed as a secondary course.

<u>Tutor</u>	<u>Schedule</u>	<u>Primary Courses</u>	<u>Secondary Courses</u>
